

UNDERTAKING

The EAP herewith confirms

- a. the correctness of the report accompanied by this declaration;
- b. the inclusion of inputs and recommendations from the specialist reports where relevant; and
- c. the acceptability of the project in relation to the finding of the assessment and level of mitigation proposed.

The EAP herewith confirms the following to be excluded from the report accompanying this declaration:

- a. the inclusion of comments and inputs from stakeholders and I&APs resulting from the 30 days public participation of the EIR and EMPr; (the compilation, review and 30 days PPP will be completed by the 25th of April 2016.)
- b. confirmation of financial provision; (see above comment)
- c. provision of rehabilitation, closure and liability plan as specified by GN R. 1142; and (see above comment)
- d. site layout including location of storm water infrastructure, pollution containment dams (PCD's), detailed infrastructure within the Tubatse laydown area. (see above comment)

4.2 The Environmental Assessment Practitioner

I, _____, declare that –

General declaration:

I act as the independent environmental practitioner in this application;
I will perform the work relating to the application in an objective manner, even if this results in views and findings that are not favourable to the applicant;
I declare that there are no circumstances that may compromise my objectivity in performing such work;
I have expertise in conducting environmental impact assessments, including knowledge of the Act, regulations and any guidelines that have relevance to the proposed activity;
I will comply with the Act, Regulations and all other applicable legislation;
I will take into account, to the extent possible, the matters listed in regulation 13 of the Regulations (GN R.982) when preparing the application and any report relating to the application;
I have no, and will not engage in, conflicting interests in the undertaking of the activity;
I undertake to disclose to the applicant and the competent authority all material information in my possession that reasonably has or may have the potential of influencing - any decision to be taken with respect to the application by the competent authority; and - the objectivity of any report, plan or document to be prepared by myself for submission to the competent authority;
I will ensure that information containing all relevant facts in respect of the application is distributed or made available to interested and affected parties and the public and that participation by interested and affected parties is facilitated in such a manner that all interested and affected parties will be provided with a reasonable opportunity to participate and to provide comments on documents that are produced to support the application;
I will ensure that the comments of all interested and affected parties are considered and recorded in reports that are submitted to the competent authority in respect of the application, provided that comments that are made by interested and affected parties in respect of a final report that will be submitted to the competent authority may be attached to the report without further amendment to the report;
I will keep a register of all interested and affected parties that participated in a public participation process;
I will provide the competent authority with access to all information at my disposal regarding the application, whether such information is favourable to the applicant or not;
all the particulars furnished by me in this form are true and correct;
will perform all other obligations as expected from an environmental assessment practitioner in terms of the Regulations; and
I realise that a false declaration is an offence in terms of regulation 48 and is punishable in terms of section 24F of the Act.

Disclosure of Vested Interest (delete whichever is not applicable)

I do not have and will not have any vested interest (either business, financial, personal or other) in the proposed activity proceeding other than remuneration for work performed in terms of the Environmental Impact Assessment Regulations, 2014;

Signature of the environmental assessment practitioner:

Environmental Management Assistance (Pty) Ltd
