Dear Sir

USE OF EXISTING INFRASTRUCTURE AFTER CLOSURE

The above matter and our previous interactions through our management team refer

The Dithamaga Trust acknowledges with thanks your letter dated the 18 April 2016 in which you made an offer on the transfer of your infrastructure post closure and during your mining rehabilitation on farm Kenedys' vale 362Kt and spitskop farm 333Kt

In respond to our communiqué we are so delightful and confirm that we accept the offer you company has made on Access roads, Buildings, Livestock kraals etc

We further indicate that this just shows the good relation we have and will continue to have which as we always indicate is of good mutual benefit to all parties.

We believe the above suffices

Regards
